

Health Savings Account (HSA) Solutions

Release yourself from complicated account administration.

ConnectYourCare is the industry's leading HSA expert, navigating employers through the transition to a cost-saving high-deductible only benefits plan design, or helping successfully drive adoption in an optional HSA offering.

With unique features like HSA On Demand®, an automated deductible safety net, and communications that drive enrollment using scientifically proven behavioral economics principles, our HSA solution is unmatched in the market.

Easy to understand, simple to use, and loaded with benefits

Our HSA solution includes a payment card to access funds, an online portal for account management, mobile account access, interest earnings and blue-chip investment options, speedy and accurate claims processing, superior customer service, and valuable health education and decision support tools to help employees make more informed choices.

To give your employees even more options, pair an HSA with a Health Reimbursement Arrangement (HRA) or a Flexible Spending Account (FSA), which when paired with an HSA become Limited Purpose and cover vision and dental expenses.

Employer Advantages

In addition to benefiting from a superior operating platform, online reporting tools, and account flexibility, you will also have the assurance of knowing that ConnectYourCare's services do not end with account administration.

We also partner with employers to manage the entire health care account experience. It's part of our pledge to you.

"I just wanted to say how much I really like ConnectYourCare. The website is easy to understand and very user friendly. It is also nice to look at the site and see exactly what has been paid. This is so much better than our previous administrator's site. Thanks for making this part of our plan easy."
